- The GATEC QA word mark, logo or punch mark;
- Manufacturer's name or symbol;
- · Date of production: year and month;
- EN 1057;
- Outside diameter wall thickness;
- Hardness of the pipe material, e.g. R220, R250 or R290
- Type of covering (PVC cover)

Place of the mark:

The outside of the pipe(each meter)

Method of marking:

Non-erasable

RECOMMENDATIONS FOR CUSTOMERS:

- 1. Check at the time of delivery whether:
 - 1.1 the producer has delivery in accordance with the agreement;
 - 1.2 the mark and the marking method are correct;
 - 1.3 the products show no visible defects as a result of transport etc.
- If you should reject a product on the basis of the above, please contact:
 - 2.1 Halcor S.A. Metal Works in Greece and, if necessary,
 - 2.2 Kiwa Nederland B.V.

- Consult the producer's processing guidelines for the proper storage and transport methods.
- Check whether this certificate is still valid by consulting the publication list for Gastec Certificates (Kluwer Handboek).
