

Health & Safety Policy

One of the company's primary goals is to provide a safe workplace for its personnel and all related employees of its partners such as customers, suppliers, contractors, subcontractors, business associates and any other visitors.

Our target is "**No incidents and work-related illnesses in the workplace**"

- ✓ We strive to create a **Health and Safety culture** where all incidents and work-related illnesses can be prevented
- ✓ We are committed to comply with applicable **legal and other requirements** and to a full implementation of standards, corporate and internal policies and procedures on occupational Health and Safety issues.
- ✓ We **identify** and **evaluate** the potential Health and Safety risks in our business processes. We take all possible measures for incidents and work-related illnesses in the workplace **prevention** by eliminate the hazard, or control the risk when the hazard cannot be eliminated.
- ✓ All incidents (accidents, near-misses, unsafe conditions and actions, property damage) are reported and root cause analysis carried out, in order to take corrective and preventive actions.
- ✓ We always respond with **transparency** to all **stakeholders'** questions about occupational Health and Safety matters.
- ✓ We recognize the importance of Health and Safety factors and work to continuously update, train and improve the human resources of the Company and its partners.
- ✓ We support the **active involvement** and **consultation** of all of the Company's human resources and its partners, for the **continuous improvement** of our Health and Safety performance.
- ✓ We **promote Health and Safety** as the dominant criterion in all corporate governance processes and corporate culture.
- ✓ We exert **zero tolerance** to deviations from the agreed Health and Safety regulations for all our employees and partners.

The commitment of every single employee and partner to maintain Health and Safety "**everywhere and always**" is a prerequisite for cooperation.

The policy is reviewed annually by the Company's Management.

Governance and Accountability
